

Aliyah | Moving to Israel What US Citizens Should Know From a US and an Israeli Tax Perspective

Paul Marcotte will be a panelist on a Webinar and live presentation for the Society of Trust and Estate Practitioners (STEP) on January 14, 2020.

The presentation will give an overview of US income, estate and gift tax consequences, as well as compliance issues surrounding immigration of Jews from Israel. It will also focus on Israeli issues, to include the 10-year Israeli tax holiday (exemption) regarding all non-Israeli sourced income and gains, and immunity from rules regarding "control and management," "CFCs," and "foreign professional companies."

The presentation will be available to attend live if you're a STEP member and via webinar.
