

Virginia State Bar's Young Lawyers Minority Pre-Law Conference

Eva Juncker was a member of the Legal Careers Panel Discussion at the VSB's YLC Minority Pre-Law Conference on March 23, 2019, focusing on the importance of diversity in the legal field. The goal of the conference is to expose high school juniors and seniors, undergrad students and young professionals who have been contemplating graduate school, to all aspects of law school and the various opportunities in the legal profession. While the conference is aimed to promote diversity in the legal profession, the conference is also free and open to all individuals interested in learning more about whether law school is right for them; how to get into law school; what law school is like; and what the legal profession has to offer.

Eva is a Principal in the firm's Family Law and Litigation practices, and a member of the Diversity Committee.
