

Paley Rothman Celebrates Pride Month

In celebration of LGBT Pride Month in this undeniably difficult year, Paley Rothman is making its celebration known by donating to SMYAL – a local organization that provides programs, services and a safe community space for LGBTQ+ youth in our community. Paley Rothman strongly encourages you – if you can – to make a donation to SMYAL or to your local LGBTQ+ charity of choice in honor of Pride Month. Every dollar helps a local or small organization. Happy Pride and a warm wish for safety to all our friends, colleagues, family, and neighbors.
