

Jeffrey Hord Selected to the 2017 Virginia Business Legal Elite for Labor & Employment

Paley Rothman is pleased to announce that Jeffrey Hord (former Associate) was chosen by VirginiaBusiness.com as a member of the 2017 *Virginia Business* Legal Elite in the Labor and Employment category.

Each year, *Virginia Business* requests that lawyers throughout the state submit nominations for "elite" attorneys across 18 distinct practice areas. Jeffrey was selected from among more than 4,000 attorneys who were nominated through peer balloting that took place this past summer. Only 77 attorneys were honored in the Labor & Employment group this year.

Jeffrey is a former member of the firm's Employment Law and Litigation practice groups. He is licensed to practice in Virginia, Maryland, and the District of Columbia.
