The U.S. News - Best Lawyers® "Best Law Firms" rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer reviews from leading attorneys in the field, and assessment of additional information provided by law firms as part of the formal submission process. To be eligible for a 2023 ranking, a law firm must have at least one attorney recognized in the previous edition of The Best Lawyers in America® list, which recognizes the top five percent of practicing attorneys in the U.S. Clients were asked to provide feedback on firm practice groups, addressing expertise, responsiveness, understanding of a business and its needs, cost-effectiveness, civility, and whether they would refer another client to the firm, for that particular location and specialty.
