

The Daily Record Announces Winners of the 2018 VIP List

BETHESDA, MD (July 11, 2017) – The Daily Record has named Ryan Spiegel, Paley Rothman, to the 2018 VIP List — Very Important Professionals Successful by 40 awards.

The Daily Record created the VIP List in 2011 to recognize professionals 40 years of age and younger who have been successful in Maryland. Winners, chosen by a panel of previous VIP List honorees and business leaders, were selected on the basis of professional accomplishments, community service and commitment to inspiring change. A listing of winners is below.

"This year's VIP List presents an impressive array of young professionals performing great work across Maryland every day," said Suzanne Fischer-Huettner, publisher of *The Daily Record*. "They share a strong work ethic and a drive to be successful in addition to being active participants in the communities where they live and work. *The Daily Record* is pleased to recognize their contributions to our community."

The winners will be honored Sept. 13 at a reception starting at 5:30 p.m. at Gertrude's at the Baltimore Museum of Art, 10 Art Museum Drive in Baltimore. The event hashtag is #TDRawards.

The winners will be profiled in a special section that will be inserted into the Sept. 14 issue of *The Daily Record* and available online at www.TheDailyRecord.com.
