

# Paley Rothman Press Kit

We at Paley Rothman are trusted advisers not only to our clients, but also to reporters seeking an informed legal perspective on a particular case or issue.

We encourage members of the media to contact us when seeking interpretation of, or an opinion on, key court rulings, landmark legislation, or industry changes. Our attorneys are frequently quoted by major media outlets across the country and are respected authorities in dozens of industries.

For members of the media seeking information about Paley Rothman, we encourage you to download the firm's fact sheet and materials detailing our history, awards and leadership.
