

Employment Law Day

Paley Rothman will host a seminar on Employment Law on November 10. Led by the Employment Law group, it will feature four of Maryland's key regulatory agency leaders, who will speak about discrimination claims and other violations.

Paley Rothman attorneys will also present on employment issues, such as the November 8 election's impact on employers, pay equity, as well as social media and after-hours behavior. A wine and cheese networking reception will follow. The seminar will start at 3:00 pm and be held at Paley Rothman, which is located at 4800 Hampden Lane, 6th Floor, Bethesda, MD 20814. More details are included in the flyer below. Please register ahead of the event by [clicking here](#).
