

Glenn Cooper and Howard Soypher Named “Best Lawyers” by Washingtonian

Glenn Cooper and Howard Soypher of the firm’s Family Law practice group were both named Washingtonian “Best Lawyers” for 2013. This year’s bi-annual list is the magazine’s largest ever, with the selections based on responses to surveys sent to thousands of local attorneys and follow-up research, reporting and a review of notable recent successes and accomplishments.

The list, published in the December 2013 issue, included both Glenn and Howard in the “Divorce & Family Law” category. This is the sixth time Glenn was chosen and the fourth for Howard.
