

Jessica Summers Provides Commentary for HR Dive Concerning Pre-Employment Testing Policies

Paley Rothman Employment Law Principal, Jessica Summers, provided commentary for HR Dive's article, "Employers face 'new era' of drug testing in post-pandemic landscape" on September 22, 2022.

The article examines the shifting policies surrounding pre-employment drug testing, particularly when considering marijuana use.

"It's a new era for employers to be looking at," Summers said. "They're certainly going to want to think twice about their policies."
