To be eligible for a ranking in a particular practice area and metro region, a law firm must have at least one lawyer who is included in *Best Lawyers* in that particular practice area and metro. Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal expertise. The 2017 rankings are based on the highest number of participating firms and highest number of client ballots on record. For the fourth year, a Law Firm Leaders Survey was implemented to provide personal insight on the legal landscape surrounding the nationally ranked practice areas. In addition to information from these surveys, the rankings incorporate the 7.3 million evaluations of 54,463 individual leading lawyers collected

by Best Lawyers in its most recent annual survey.
