INSIGHT: Connecting Climate Change Nuisance Suits to Insurance Recovery

Cities, counties, and states have been suing fossil fuel companies to pay for the costs to mitigate and remediate the effects of climate change. Paley Rothman attorneys say energy companies should look to the insurance industry as an example of how to avoid potential pitfalls involving language use and perceptions.

INSIGHT: Insurance Will Cover Coronavirus if Asbestos Lessons Prevail

Insurance claims related to Covid-19 are ongoing and potentially of huge magnitude. Paley Rothman attorneys say the insurance industry should apply lessons learned from years of asbestos litigation and

lawsuits involving coverage for other types of exposures, and work with policyholders and Congress to craft a mechanism to resolve claims.
